

Becoming a **LIBERTY Medicare Advantage provider** will open your office up to a high-growth patient population with great dental benefits seeking to establish a strong, trustworthy relationship with a dental office. Whether you decide to grow your practice, diversify revenue, or to continue caring for your patients after they retire, **LIBERTY** is the partner to bring you these advantages and more.

What is Medicare Advantage?

- Medicare Advantage Plans are private insurance plans that seniors purchase to cover medical and dental care.
- Traditional Medicare may not cover dental benefits, but Medicare Advantage does.
- Medicare is not based upon income and is for all patients that are age 65+.

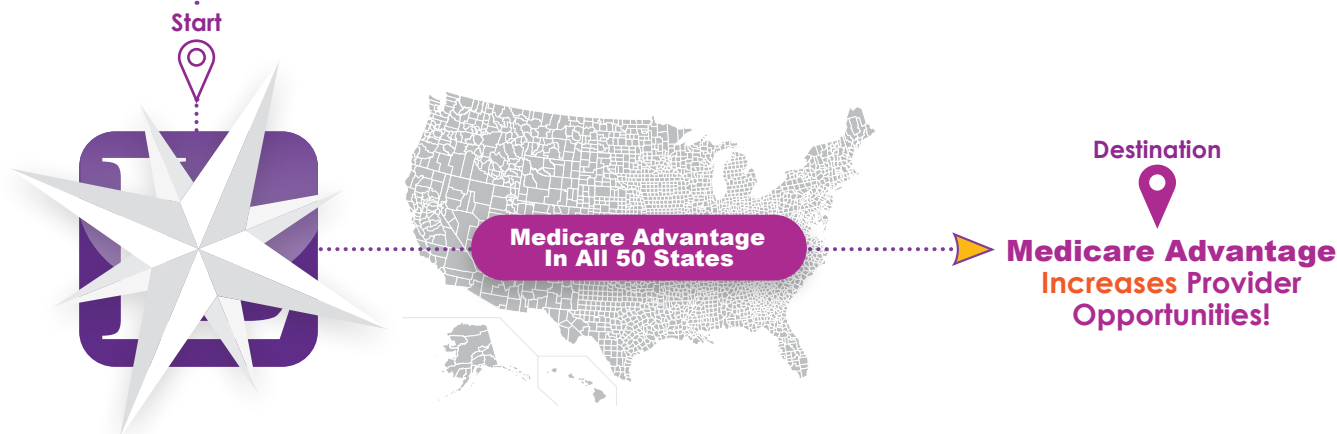

LIBERTY administers dental benefits on behalf of **30 Medicare Advantage** plans.

Medicare Advantage plans utilize private health plans to administer benefits.

Medicare Advantage providers may be paid on a FFS or PPO basis of reimbursement.

Explosive Growth of 65+ Population!

- Medicare enrollment grew by 13 million lives in 2021, with **Medicare Advantage** growth in EVERY state.
- Half of all Medicare beneficiaries will be enrolled in a **Medicare Advantage** plan by 2025.
