What is **Medicaid?**

- Medicaid is a program that provides health and dental benefits for low-income children and adults, pregnant women, and individuals with disabilities.

- Children's benefits are comprehensive and include all medically necessary services.

- Benefits and rates vary by state.

Where is **LIBERTY** Recruiting?

LIBERTY administers Medicaid dental benefits on behalf of states and health plans in the following states:

California, Florida, Nevada, New Jersey, New York, and Texas. We are also recruiting in **Oklahoma**.

Providers that border these states may also participate in these programs as long as they are licensed in the state and have a State-issued Medicaid ID.

Make a difference through **Medicaid!**

- Our Platinum Provider program recognizes high performing providers with additional membership and waived administrative requirements.

- LIBERTY's Value-Based Program (known as BRUSH) allows you to earn additional revenue while improving patient outcomes.

- Tools such as our provider portal reduce your overhead costs by offering you access to data and submit prior authorizations, claims, and referrals, in real-time, 24 hours per day/7 days per week, and reducing the need to call us.
