IMPORTANT BENEFIT INFORMATION

**RE: CMS - MEDICAID SECTION 1135 WAIVER
 COVID-19 NATIONAL STATE OF EMERGENCY**

LIBERTY Dental Plan (LIBERTY) is providing you this important notice on your Medicaid benefits. Due to the recent COVID -19 outbreak, the Centers for Medicare and Medicaid Services (CMS) have issued a Federal Section Waiver. This waiver provides Medicaid enrollees, additional resources during this COVID-19 National State of Emergency.

What does this mean for you?

- Referrals and pre authorizations will not be required starting March 15, 2020, until the end of the National State of Emergency. This means claims will not be denied due to lack of referral or preauthorization. LIBERTY will still review for dental need.
- Out-of-network benefits will be allowed for the treatment of emergency conditions, such as pain, swelling, bleeding, broken tooth/teeth, etc. starting March 15, 2020, until the end of the National State of Emergency. This means claims for emergency dental treatment, will not be denied as out-of-network. LIBERTY will still review for dental need.
- Tele-dentistry will be made available, so you can talk with a dentist from home using video, phone, or text messaging. This means claims will not be denied for tele-dentistry service.
- Timeframe to file for a State Fair Hearing increased. This means that if the initial State Fair Hearing filing deadlines take place during the National State of Emergency, you will be allowed an additional 120 days, for a total of 240 days, to request a State Fair Hearing.

The following resources are available to you during this emergency period.
